Work experience: Aliyev Sh.T. began his work activity in 1981 on the ‘Synthetic Rubber’ plant in Sumgait. During 1981-1994 he held different positions, including the post of the Department Head, deputy of the general director on economics and main expert of the plant. In 1996-2006 he worked at the State Concern ‘Azerchemistry’ and held the position of the head of the department based on the CIS countries, the head of the Representation of the ‘Azerchemistry’ in Moscow (Russia), also held the posts of the main economist at the ‘Ethylene-Polyethylene’ plant, deputy of the director of the ‘Superficially Active Substances’ plant, the vice-president of the SC ‘Azerchemistry’ and director of the ‘Synthetic Rubber’ plant. Since July 2006 he has been working as the director of Sumgait Employment and Trade Center.

International experience: He visited more than 30 countries, participated on the seminars, conferences, symposiums in different countries (the U.S.A., France, Russia, Turkey, Czech Republic, Poland, Romania, Estonia, Lithuania, Latvia, Byelorussia, Moldova, the Ukraine, Kazakhstan, Uzbekistan, Georgia and etc.). Since 1997 till 2000 he had been working as the head of the SC ‘Azerchemistry’ Representation in Moscow (Russia).

Scientific activity: He is the author of about 120 science works (publications) and 3 monographs (one is under the co-authorship). The main directions of investigations are macroeconomics, international economic cooperation, the complex analysis of economics branches and etc. In May 2007 he defended the dissertation on award of the scientific degree of candidate of economic sciences on the theme: ‘The Problems and Perspectives of the trade-economic communications of Azerbaijan with Russia’.
