

Zuzana Princova

- Zuzana Princova has been working as a Senior Consultant for over the last 15 years, with particular expertise in the gas industries and players in Central European countries. She provides clients with information on supply and demand in these countries, and with her insight into the geopolitics of these countries and is able to provide analysis and scenarios for industry entrants and investors. Her particular interest is in working as strategic advisor with international gas companies who are attempting to participate in gas industry privatisations, gas exports / imports. She has advised major energy companies and other key institutions on a range of strategic, regulatory and contractual issues.
- Prior to Gas Strategies she held a number of senior positions in WEFA, EIU and Price Waterhouse. She regularly contributes to Gas Matters and has been organising and chairing the CEGC conference.
